After determining that a quorum was present, the Annual Town Meeting was called to order at 7:11 pm. by Moderator Anne Farina. The format of the evening was then outlined; the Moderator would accept a motion to recess the Annual Town Meeting and open the Special Town Meeting. Following the adjournment of the Special Town Meeting, a motion would be accepted to reopen the Annual Town Meeting. If a second night would be needed to conclude the business, the meeting would continue the following evening, Tuesday, May 10, 2005.

Announcements included the recognition of Boy Scout Troop #28 for delivering close to 1,000 town reports the previous weekend. Recognition was made to Matthew Belley and Alex Hollis for earning the rank of Eagle Scout and to Michael Hopke for starting his Eagle Scout project. Members of Boy Scout Troop #28 who carried flags included Michael Hopke, Daniel Flint, Matthew Michael and Benedict Walsh. Parents were recognized for their contributions as part of the Swallow Union Beautification program. A statement was made by Anne Farina who informed the members that she is a sitting member of the Planning Board and asked if anyone had an objection or concern relative to her moderating zoning articles [none stated]. Advisory Board Chairman Dan St. Jean presented an overview of the Town's FY06 budget including revenue sources with an explanation of free cash, transfers and allocation of new revenues [copy entered into record]. Dunstable's portion of the Groton-Dunstable Regional School District assessment increased by \$64,780 and without free cash, our choices on how to deal with this became limited. In the budget we are carrying the higher number that the school is requesting. Because the Advisory Board is bringing an unbalanced budget to Town Meeting, approval of this budget means that after July 1 when our Free Cash is certified, the Town will have to come back to a special town meeting, or cut something out of the budget. \$425.60 = \$1.00 to your tax bill.

School Committee Chairman Alan Vervaeke recognized Dr. Jennings for her 11 years as Superintendent and recognized the many positive changes that have occurred in the District under her tenure. Alan then introduced Dr. Alan Genovese who is the new Superintendent for the District beginning July 1, 2005.

School Committee member Frank O'Connell spoke to the audience regarding the budget and contributing factors to the increase [health insurance, transportation, special education needs, utilities and increases to teachers' salaries. Discussion and questions continued.

Beth Falkner, Chairman of the Alternative Revenue Source Committee explained their charge that was formed following Candidate's Night 2003. The Committee was having difficulty meeting since it only included 4 members, each of whom traveled with their jobs or had other commitments, and asked for more members to come forward. The ARC had looked into building permits, fees, cell tower coverage, etc., to determine where the town could benefit from additional revenues. John Bagni, Chairman of the Mixed Use District Committee formed in August and has been charged with creating an RFP to develop the area behind the post office. At this time the RFP is complete and awaiting town counsel approval. The Committee has found the bylaw had to be changed and is hoping that developers will come in really close to our RFP which has some strict guidelines about senior housing and affordable housing. Joe Dean, Fire Needs Investigation Committee was formed to look into the status of our Fire Department including building, equipment, personnel and policies and to determine if they meet the current needs of the town.. Their recommendations are that we purchase a new truck, have someone dedicated to researching grants, purchase new communication and pursue new volunteer firefighters on an ongoing basis.]*
